Signing Up

An account is required to log in and utilize this application. To sign-up for an account, click on the Sign-Up button on the front page of the application. This will display a window in which your personal details are entered and stored.

Upon clicking save, your account will be created, and you will be redirected to the front page. Enter your username and password created in sign up and click enter to log in.

Ordering Equipment

Once you have logged in successfully, you will be redirected to the home page. To order equipment, click the Equipment tile, choose the category you would like to order from, and select the equipment to be rented. Select the date for rental, and if that date is available, you shall be provided with the cost of rental. An invoice will be provided once an employee has processed your request.

Once payment has been made for the rental, a receipt will be provided.

Making Inquiries

To inquire about an item's availability, click on the Message tile. Enter your message and click send. The message will be sent, and an employee will respond in time.
